- **Public Comment**

ISP Task Force Charge

- **Overarching Charge:** To make recommendations on priority uses of health information technology and the associated standards and implementation specifications that support such uses.
- **Specific Charge:** The ISP Task Force will:
 1. Make recommendations on the following:
 - Priority uses of health IT (consistent with the Cures Act’s identified priorities);
 - The standards and implementation specifications that best support or may need to be developed for each identified priority; and
 - Subsequent steps for industry and government action.
 2. Publish a report summarizing its findings.
