# Today's Agenda:

- Roll Call and Welcome
- Summary and Action Plan
- HL7 Da Vinci Project Overview
- Humana Demonstration
- Regence Demonstration
- Public Comment

**Vision**: Support the convergence of clinical and administrative data to improve data interoperability to support clinical care, reduce burden and improve efficiency—furthering implementation of “record once and reuse.”

**Overarching Charge**: Produce information and considerations related to the merging of clinical and administrative data, its transport structures, rules and protections, for electronic prior authorizations to support work underway, or yet to be initiated, to achieve the vision.

# Summary and Action Plan

## Last Meeting

- We reviewed progress on the workbook
  - Small groups continue working on their tabs
  - Content was added to the other considerations and recommendations tab, TF members to review
  - Asked all Task Force members to review the workbook this week and edit as needed
- Saw demonstrations of ePA approaches and processes from Surescripts and CoverMyMeds
  - Pharmacy ePA focus including real-time benefit checks
  - Discussed questions of coordination of benefits and the possibility of additional data needs to support it
