# Today's Agenda:

- Roll Call and Welcome
- Summary and Action Plan
- X12 Presentation and Discussion
- Privacy and Security Ideal State and Guiding Principles
- Public Comment
- Next Steps

**Vision**: Support the convergence of clinical and administrative data to improve data interoperability to support clinical care, reduce burden and improve efficiency—furthering implementation of “record once and reuse.”

**Overarching Charge**: Produce information and considerations related to the merging of clinical and administrative data, its transport structures, rules and protections, for electronic prior authorizations to support work underway, or yet to be initiated, to achieve the vision.

A large, abstract graphic composed of overlapping, semi-transparent geometric shapes (triangles, hexagons, and squares) in various shades of blue, green, yellow, and orange. The shapes are arranged in a way that creates a sense of depth and movement, with some shapes appearing to be layered on top of others. The overall effect is a complex, multi-colored pattern that fills the left and center of the page.

# Summary and Action Plan

## Last Meeting

- AHIP presented on the *Fast Path* Initiative, their multi-pronged strategy on prior authorization and the AHIP prior authorization landscape survey
- Premier presented on automating prior authorization; experiences and lessons learned
- We introduced an updated Guiding Principles and Ideal State Google document, including the new privacy and security content.
- We reviewed next steps and the updated timeline, emphasizing that draft recommendations would be ready by July and would be presented at the 9/9 full HITAC meeting

A large, abstract graphic on the left side of the slide, composed of numerous overlapping triangles and polygons in various shades of blue, green, yellow, and orange. The shapes are arranged in a way that creates a sense of depth and movement, resembling a complex geometric pattern or a stylized map.

# X12 Presentation and Discussion

A large, abstract graphic on the left side of the slide, composed of numerous overlapping triangles and polygons in various shades of blue, green, yellow, and orange. The shapes are arranged in a way that creates a sense of depth and movement, resembling a stylized map or a complex data visualization.
