Intersection of Clinical and Administrative Data Task Force

Sheryl Turney, Co-chair

Alix Goss, Co-chair

July 21, 2020

The Office of the National Coordinator for
Health Information Technology

Task Force Roster

Name	Organization
Sheryl Turney (co-chair)	**Anthem, Inc.**
Alix Goss (co-chair)	**Imprado/NCVHS**
Anil Jain	IBM Watson Health
Arien Malec	Change Healthcare
Andy Truscott	Accenture
Ram Sriram	NIST
Sasha TerMaat	Epic
Jim Jirjis	HCA
Denise Webb	Individual
Rich Landen	Individual/NCVHS

Name	Organization
Debra Strickland	Conduent/NCVHS
Jacki Monson	Sutter Health/NCVHS
Gus Geraci	Individual
Jocelyn Keegan	Point-of-Care Partners
Tom Mason	ONC
Aaron Miri	HITAC/University of Texas Austin
Steve Brown	VA
Mary Greene/ Alex Mugge	CMS
Alexis Snyder	HITAC/Patient Rep

Today's Agenda:

- Roll Call and Welcome

- Summary and Action Plan

- Recommendations Discussion

- Report Draft Writing Plans

- Convergence Conversation Framing

- Public Comment

- Next Steps

Vision: Support the convergence of clinical and administrative data to improve data interoperability to support clinical care, reduce burden and improve efficiency—furthering implementation of "record once and reuse."

Overarching Charge: Produce information and considerations related to the merging of clinical and administrative data, its transport structures, rules and protections, for electronic prior authorizations to support work underway, or yet to be initiated, to achieve the vision.

The Office of the National Coordinator for
Health Information Technology

Summary and Action Plan

Last Meeting

- Data Classes and Standards Document
  - Walked through the document, showing each data class and related content standards in terms of availability, adoption rates, and usefulness
  - Discussed gaps in standards, variation in coverage of data classes and adoption, and implications for Task Force recommendations

- Recommendations Brainstorming: Designing for the Future
  - Strawman Recommendations
    - A standards floor, and
    - A unified process for standard advancement and advancement of the ISA framework towards convergence, and
    - An aligned national standards framework to support clinical and administrative needs
  - Discussion of real-world need for some separation between clinical and administrative data – how to preserve while reducing burden?

Public Comment

To make a comment please call:
Dial: 1-877-407-7192

*(Once connected, press "***1**" to speak)*

All public comments will be limited to three minutes.

You may enter a comment in the
"Public Comment" field below this presentation.

Or, email your public comment to onc-hitac@accelsolutionsllc.com.

*Written comments will not be read at this time,
but they will be delivered to members of the Task Force and made part of the Public Record.*

Next Steps

- Next Week:
  - Convergence of clinical and administrative data deep dive

- August:
  - Report Writing
  - Creating content for the broader intersection

- September 9:
  - Present draft report and recommendations to HITAC

Next Steps and Draft ICAD TF Timeline

Month/Date	Deliverables/Action Items
July 28, 2020	Convergence of Clinical and Administrative Data: Deep Dive
August 2020	Advance and Complete Convergence of Clinical and Administrative Data Discussion Writing and Finalizing Report
September 9, 2020	Present Draft Recommendations to HITAC for Feedback
October 21, 2020	Deliver Final Recommendations and Report to HITAC

Next Task Force Meeting:

July 28th, 2020 3:00PM Eastern

The Office of the National Coordinator for
Health Information Technology
