Today's Agenda:

- Roll Call and Welcome
- Summary and Action Plan
- Broader Intersection Discussion Wrap-Up
- Report Outline and Framework for Moving Ahead
- Public Comment
- Next Steps

Vision: Support the convergence of clinical and administrative data to improve data interoperability to support clinical care, reduce burden and improve efficiency—furthering implementation of “record once and reuse.”

Overarching Charge: Produce information and considerations related to the merging of clinical and administrative data, its transport structures, rules and protections, for electronic prior authorizations to support work underway, or yet to be initiated, to achieve the vision.

A large, abstract graphic composed of overlapping, semi-transparent geometric shapes (triangles, hexagons, and squares) in various shades of blue, green, yellow, and orange. The shapes are arranged in a way that creates a sense of depth and movement, with some appearing to be layered on top of others. The overall effect is a complex, multi-colored pattern that fills the left and center of the page.
