Opening Remarks

Health Information Technology Advisory Committee
The Office of the National Coordinator for Health Information Technology

Health IT Advisory Committee (HITAC)
Public Health Data Systems (PHDS) Task Force 2021

Charge – This Task Force will inform HHS's response to President Biden's Executive Order on Ensuring a Data-Driven Response to COVID-19 and Future High-Consequence Public Health Threats.

The PHDS Task Force shall:

1. Identify and prioritize policy and technical gaps associated with the effectiveness, interoperability, and connectivity of information systems relevant to public health. This would include a focus on surveillance systems, infrastructure improvements, health equity, clinical engagement, research and innovation, educating and empowering individuals.

2. Identify characteristics of an optimal future state for information systems relevant to public health and their use.

Review Recommendations Crosswalk
