HIMSS ELECTRONIC HEALTH RECORD ASSOCIATION

Immunization Data Sharing To Date

Substantial progress over last couple of years

- Registry Participation/Connections/Coverage
- Data Completeness
- Data Quality
- Increased Bi-Directional Exchange

(f)(1) Transmission to Immunization Registries certification criteria

Concerns/Challenges

- IIS Variations
- Data Quality
- Vaccine Updates
- Bulk Queries
- Patient Matching

Opportunities

- Certification Alignment
- Standards Alignment with eCR
- HELIOS Bulk Queries
- Immunization query ingestion/reconciliation
